12:00 – 21:00 Registration of delegates

16:00 – 21:00 B2B Meeting Scheduling

14:00 – 15:00 HIGH-LEVEL UN ROUNDTABLE PART – I

RELIABLE ENERGY SYSTEMS, SUSTAINABLE GROWTH AND INTERNATIONAL PARTNERSHIPS

SPEAKERS

This high-level UN roundtable will examine how the advancement of SDG7 is increasingly driven by the development of reliable, resilient, and inclusive energy systems.

In the context of evolving global energy dynamics, the discussion will focus on how stable energy supply, responsible resource development, and international partnerships contribute to sustainable economic growth and long-term energy accessibility.

Particular attention will be given to Turkmenistan's role as a neutral and reliable partner, supporting stable energy transit and strengthening international cooperation in line with global sustainable development priorities.
